If your child has recently, or is about to, celebrate their 1st birthday then they are due for immunisations.

Your child will receive 3 needles which will provide protection against:

- Measles, mumps, rubella
- Meningococcal C
- HIB (Haemophilus Influenza type B)

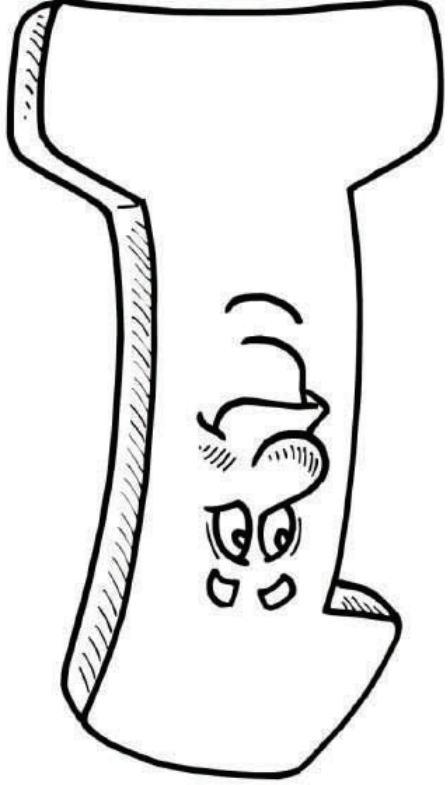

If your child has not yet had their immunisations please contact your preferred provider for an appointment.

Local immunisation providers are listed on the page opposite.

IMMUNISE

BE WISE

Congratulations on turning 1 !!
Here is a picture for you to colour in and keep...
